ABOUT ME

A motivated Software Engineering graduate passionate about full-stack development. Experienced in cross-platform mobile apps using Flutter. Strong skills in building scalable, user-friendly applications with clean UI/UX. Looking for an opportunity to contribute, grow, and innovate in a dynamic environment.

EXPERTISE

- Management Skills
- Cross-platform App Development
- Leadership
- Responsive UI/UX Design

EXPERIENCE

SoulVerse – Islamic Spiritual guidance App
Flutter · Firebase · Multilingual Support · UI/UX

Designed and developed a spiritual app for emotional well-being.
- Implemented mood-based content, audio playback, and user history
- Features: Bookmarks, notifications, multilingual support (EN, UR, AR)

Travel Planning App
Flutter · Firebase · Maps · Offline Access

Developed a travel booking app with hotel/flight bookings and itinerary planning.
- Added offline access, budget planning, feedback system
- Focused on smooth UX and modern UI
